## Nannup Day Trip

Below is our ideal day trip from Ampersand Estate to the Nannup area, including all of our personal favourite activities and attractions!

## KEY THAT LINKS WITH MAP

1. To start off the best day trip to Nannup, visiting the **Blackwood River** is the perfect way to brighten the morning. There are numerous walks and trails along the river from the townsite and some sites where you can canoe and kayak. This location is a great way to soak in the picturesque natural beauty of Nannup.
2. After a morning on the river, head into town and pick up lunch to take-away from the amazing **Pickle & O cafe**. The toasted Turkish sandwiches are a great meal to grab on the go!
3. With lunch at the ready, drive out to the '**Tank 7 Lookout**' to eat your meal with an awe-inspiring view of the rolling Nannup hills.
4. After lunch, head the '**Old Timberline Trail**' and take a scenic walk through to the '**Kondil Wildflower Park**' to see all the wonders Nannup's native forest have to offer.
5. To cool down in the afternoon, head to '**Barrabup Pool**' for a peaceful swim under the shade of the native trees. If you fancy catching your own lunch, Barrabup pool is known to have great Marron and fish!
6. Before driving back to Ampersand Estates, stop in for dinner at the **Nannup Brewery** where you can enjoy a delicious meal alongside a well-deserved glass of Ampersand wine!

## Popular attractions

---

### **Tank 7 Lookout**

Just roughly 1.5kms from the Warren road junction you'll find the magnificent 'Tank 7 Lookout' that display Nannup and its surroundings. Tank 7 is one of many of concrete water tanks were once used to supply water to crews fighting fires in the area and like the other tanks it outlines the hills of Nannup.

### **Barrabup Pool**

Barrabup pool is located roughly 20 minutes outside of Nannup and is the perfect location for a relaxing day out swimming or canoeing with friends and family. Surrounded by tall native tress that provide a canopy around the naturally formed water hole that creates the perfect setting to unwind. You can find picnic facilities, a BBQ area, beautiful viewing points, entrancing trails for walking and cycling, and if you need longer explore there are camping grounds available if you wish to spend a night or two at Barrabup.

### **Blackwood River**

Blackwood River is one of the largest rivers in the south west, it begins its journey at Wagin before flowing through Boyanup and Bridgetown then its destination at Nannup to the final destination where it meets the costal waters of Augustus. Spend the day amongst nature with the many captivating walks along the beautiful banks, or bring a canoe along for a relaxed hour paddling.

## Family Activities

---

Fine below all the best activities that you can do in the Pemberton region that suit the entire family!

### NANNUP BARRABUP POOL:

Bring your swimming gear and a picnic blanket to enjoy a dip in Nannup's Barrabup pool! The site also offers barbecue facilities and is surrounded with walks that explore the rich heritage of the town.

## National Parks

---

### GLOUCESTER NATIONAL PARK

Home to Western Australia's most famous Karri tree, Gloucester National Park starts only 3km from the town of Pemberton. Enjoy activities such as bush walking, mountain biking and climbing the popular 'Gloucester Tree' that offers a spectacular view from the top of the lookout.

### THE GREATER BEEDELUP NATIONAL PARK

The Greater Beedelup National Park is 22km west of Pemberton, just situated on Vasse Highway, that undergoes a sensational scenic drive through Karri forests. One of Pemberton's biggest attractions is the mesmerising Beedelup Falls which are the best viewed in winter and in spring when they are full flowing with fresh rain water. There are also a number of different unique and exciting walking, cycling and four-wheel drive tracks to endure.

### WARREN NATIONAL PARK

Just 15km south-west of Pemberton is the majestic Warren National Park, that is known for showcasing the best of the regions old-growth Karri Forest. The park offers opportunities such as bushwalking, fishing, four-wheel driving and canoeing.
