## Pemberton Day Trip

Don't have time to plan all the activities you want to do in a day? Here are some of our favourite attractions in Pemberton put into a helpful day trip guide. All activities can be done in a day round trip directly from Ampersand Estate!

## KEY THAT LINKS WITH MAP

1. The first stop of our ideal day trip around Pemberton is to **Beedelup Falls**. To view the full beauty of Beedelup, we recommend dedicating an hour to wandering through the wonderful Karri Forrest that surrounds the cascading falls. Don't forget to bring your cameras to capture your memories!
2. The next stop is the magnificent drive to our third stop. Along the drive down **Old Vasse Road**, soak in the rich history of the ancient forest as your drive past the towering Karri tress and farms that have been operational for over a century. There are multiple fruit and vegetable stalls that we highly reckoned you stop and check in at— remember to bring coins and cash as most stalls surrounding Pemberton don't accept eftpos!
3. **Heartbreak Trail** is the most scenic drive in all of Pemberton. Featured as one of our Hidden Gems, this is one place in Pemberton that you do not want to miss out on seeing in your visit. The amount of time you can spend here varies from 1-3 hours. You can get off at the campsites along the Warren River and kayak, canoe or simply sit at one of the picnic sites for a morning snack!
4. The **Cascades** is another of Pemberton's infamous water sites and is the perfect place to go for a simple, easy walk in the gorgeous surrounds of forest or watch the magnificent sight of water flowing over the rocks.
5. **Wild at Heart**, open seven days a week is the best place to have lunch in Pemberton! There are many amazing cafe's open throughout the week that we recommend you also visit which you can find in our Food section.
6. The **Gloucester Tree** is the most iconic tourist destination in Pemberton, built as a fire lookout in the 1940s, it provides an awe-inspiring view at top that reaches right down to the coast. We recommend visiting for around two hours if you are planning to make the climb!
7. If you aren't too tired from the **Karri Lookout**.
8. After your afternoon exercise, head down to **Big Brook Dam** for a swim in the beautiful dam or a relaxing picnic on the sandy shore. We recommend you bring your canoe or kayak to this destination and find time in your stay to make the hour walk around the dam!
9. On the way back to Ampersand after a long day out, stop in at the **Southern Forrest Chocolate Company**, open seven days a week from 10am-40m! The salted caramel chocolate truffles are absolutely divine and we recommend you dedicate time in your day to stop in and grab a well deserved treat!
10. After your fun day trip to Pemberton, crack open a bottle of your favourite **Ampersand Wine** or make yourself a refreshing cocktail with our rainfall gins and vodkas!
